For shareholders and interested parties who are unable to attend, the presentation material will also be available on the Company website (www.arizonasonoran.com) following the Meeting.

Neither the Toronto Stock Exchange (“TSX”) nor the regulating authority has approved or disapproved the information contained in this news release. The Company has received an extension from TSX to hold its 2024 annual meeting of shareholders on or before September 17, 2024.

About Arizona Sonoran Copper Company (www.arizonasonoran.com | www.cactusmine.com)

ASCU’s objective is to become a mid-tier copper producer with low operating costs and to develop the Cactus and Parks/Salyer Projects that could generate robust returns for investors and provide a long term sustainable and responsible operation for the community and all stakeholders. The Company’s principal asset is a 100% interest in the Cactus Project (former ASARCO, Sacaton mine) which is situated on private land in an infrastructure-rich area of Arizona. Contiguous to the Cactus Project is the Company’s 100%-owned Parks/Salyer deposit that could allow for a phased expansion of the Cactus Mine once it becomes a producing asset. The Company is led by an executive management team and Board which have a long-standing track record of successful project delivery in North America complemented by global capital markets expertise.
